If you are looking for a lifestyle escape on a property nestled in the valleys of Lower Lewis Ponds this could be just what you've been waiting for. The aspect is idyllic - just over 20 hectares of land featuring gently undulating land encircled by escarpment and screened from neighbours. Rainwater tanks, dams and the spring-fed creek shield the land during dry periods. The space, privacy and outlook make the property feel like a remote retreat with a stylish family home consisting of 4 bedrooms plus an office/5th bed, with the master featuring a walk-in robe and ensuite. The newly renovated kitchen is soaked in sunlight and comes fitted out with a Miele pyrolytic oven and induction cooktop and opens onto a spacious open plan dining and family room. A second living area provides that extra space all families love along with a cosy wood fire and a reverse cycle split system so you are always surrounded by comfort.
